MR. CONSULTANT[®]

Making Restaurants Dreams Happen

Consultant for Pizza | Fried Chicken | Bakery | Pub | Sports Bar | Coffee Shop

About the founder - Mr. Karthik Ramalingam

His tryst with the food industry started in 1996 when he joined PIZZA CORNER . The passion he developed for the food industry took him to PIZZA HUT , JAVA GREENS and back to PIZZA CORNER, KFC over the next 15 years . At that point of time the entrepreneur in him decided to put all the knowledge and experience gained to start his own venture 'Mr.Consultant' in the year 2011 offering end to end consultation for all kinds of restaurant startups .

The success in this venture motivated him to start 'SRI SAI FOODS' in the year 2015 followed by his first franchise brand ' Mr BURGER ' in the year 2017 offering a wide range of menu under a single brand . Understanding the newly found enthusiasm of the customers to try different menus prompted him to start his other franchisee brands – ' FRIED KOZHI ' , ' JOOSE BOOSTERS ' , ' FROZEN FUDGE ' and ' LEAF BEAN CAFE ' . His love for the profession of his choice , his commitment to the business , his boundless energy to work round the clock to address any operational or managerial issues of his clients and franchisees is instrumental in the wonderful track record he has created for himself.
